This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## TRUST OF SOURCES FOR INFORMATION ABOUT ENDS

Worldviews and Trust of Sources for Health Information on Electronic Nicotine Delivery  
Systems: Effects on Risk Perceptions and Use

Scott R. Weaver, Amelia Jazwa, Lucy Popova

Georgia State University

Paul Slovic

Decision Research and University of Oregon

Richard B. Rothenberg, Michael P. Eriksen

Georgia State University
