Acknowledgements:

We are especially indebted to Jessica Cole for extensive research assistance on this project; Ethan Abeles for helping to facilitate data capture; Christopher Wade and Johanna Crane for their valuable input; Aimee Desrochers for early research assistance; the University of Washington Bothell for research support. We are grateful for the generous support we received from the Simpson Center for the Humanities at the University of Washington, which enabled us to host the 2016 *Crowdsourcing Care* symposium. Thank you to the participants for their keen insights into this topic, and especially to Kathleen Woodward, who has been instrumental in the development of our project.
