Received date: 11 April 2016
Accepted date: 6 December 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
Culturally Sensitive Adaptations to Evidence-Based Cognitive Behavioral Treatment for Social Anxiety Disorder: A Case Paper

Jessica R. Graham-LoPresti, Speshal Walker Gautier, Shannon Sorenson, Sarah A. Hayes-Skelton, Salem State University

This study was funded by the National Institute of Mental Health (NIMH grant #085060). We would especially like to thank the client for sharing her experiences and for being willing to allow us write this paper. We would also like to thank all of the therapists and consultants on this study who helped inform our thinking about this case. Finally, we would like to thank Daniel Paulus for his coordination of the study.

Address correspondence to Jessica Graham-LoPresti, Ph.D., Department of Psychology, Salem State University, 352 Lafayette Street, Salem, MA 01970; JGraham@salemstate.edu
