and Mental Health, Toronto, bowiec@queensu.ca

### Contributors

MM and CRB designed the study, with guidance from KH and RM. MM acquired the data. MM and CRB analyzed the data and wrote the first draft of the article. MM, KH, RM and CRB revised the article. All authors contributed to and have approved the final manuscript.

### Acknowledgments

We thank Emma Ayukawa and Aleksandra Usyatynsky for their assistance in scoring the SSPA files. CRB was supported by the Canadian Foundation for Innovation, Ontario Ministry of Research and Innovation, the Queen's University Senate Advisory Research Council, and the Pfizer Canada/Sun Life Mutual/Healthy Minds Canada Workplace Depression Award. MM was supported by the Ontario Graduate Scholarship and Joseph-Armand Bombardier Master's Canada Graduate Scholarship [Social Sciences and Humanities Research Council (SSHRC)].

### Role of Funding Source

There was no involvement of the funding sources in study design, analysis, and interpretation of data, nor in the writing of the report and the decision to submit the paper for publication. Funds of CRB supported data collection (participant compensation).
