Please cite this article as: Albrecht JS, O'Hara LM, Moser KA, Mullins CD, Rao V, Perception of Barriers to Diagnosis and Receipt of Treatment for Neuropsychiatric Disturbances Following Traumatic Brain Injury, *ARCHIVES OF PHYSICAL MEDICINE AND REHABILITATION* (2017), doi: 10.1016/j.apmr.2017.06.007.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
