Accepted May 25, 2017

Drs. Smaragdi, Riccelli, Martin-Key, Sidlauskaite, Professor Sonuga-Barke, and Mss. Cornwell, Gonzalez-Madruga, Batchelor, and Wells are with the University of Southampton, Southampton, UK. Dr. Fairchild is with the University of Southampton and the University of Bath, Bath, UK. Dr. Toschi is with the University of Rome "Tor Vergata," Rome, Italy. Dr. Puzzo is with the West London Mental Health Trust, Broadmoor High Secure Hospital, London, UK. Drs. Baker, Rogers, and De Brito and Ms. Clanton are with the University of Birmingham, Birmingham, UK. Professor Freitag and Mss. Bernhard and Martinelli are with the University Hospital Frankfurt, Frankfurt, Germany. Dr. Kohls, Professor Konrad, and Ms. Baumann are with the University Hospital RWTH Aachen, Aachen, Germany. Dr. Raschle and Professor Stadler are with the Psychiatric University Clinics and University of Basel, Basel, Switzerland.

This study was funded by the European Union's Seventh Framework Programme for research, technological development, and demonstration (FP7/2007-2013) under Grant Agreement no<sup>o</sup> 602407 (FemNAT-CD). The funding source had no role in the design and conduct of the study; collection, management, analysis, and interpretation of the data; preparation, review, or approval of the manuscript; or decision to submit the manuscript for publication.

Preliminary data from this study were presented at the Society for the Scientific Study of Psychopathy, Chicago, USA, 25-26 June 2015, and the European Association for Forensic Child and Adolescent Psychiatry, Porto, Portugal, 11-13 May 2016.

Dr. Toschi served as the statistical expert for this research.

The authors thank the participants and their families for taking part in this study.
