This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Highlights

- Competition between online platforms is analyzed where platforms collect user data.
- The degree of data collection is inefficient and can be too high or too low.
- Softer platform competition leads to more collection of personal data.
- Two-sided pricing leads to efficient data collection.
