This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Impaired Value Learning for Faces in Preschoolers With Autism Spectrum Disorder

RH = Value Learning in ASD

Quan Wang, PhD, Lauren DiNicola, BA, Perrine Heymann, BA, Michelle Hampson, PhD, Katarzyna Chawarska, PhD

This article is discussed in an editorial by Dr. Paula Fitzpatrick on page xx.

Clinical guidance is available at the end of this article.

Accepted October 31, 2017

Drs. Wang, Hampson, Chawarska, and Mss. DiNicola and Hayman are with Yale School of Medicine, Child Study Center, New Haven, CT.

The study was supported by the National Institutes of Mental Health (R01MH100182) and the V & L Marx Foundation (to K.C.).

Drs. Wang and Chawarska served as the statistical experts for this research.

The authors wish to express our appreciation to the families and their children for their time and participation. They would also like to thank Kelly Powell, PhD, Scuddy Fontenelle, PhD, Megan Lyons, MS, Karyn Bailey, MSW, and Amy Giguere Carney, MSW, of Yale School of Medicine, for their contribution to sample characterization and Emily Hilton, BA, and Anna Milgramm, BA, of Yale School of Medicine, for their assistance in data collection and manuscript preparation.

Disclosure: Drs. Wang, Hampson, Chawarska, and Mss. DiNicola and Heymann report no biomedical financial interests or potential conflicts of interest.

Correspondence to Katarzyna Chawarska, PhD, Yale Child Study Center, 40 Temple Street, Suite 71, New Haven, CT 06511; email: Katarzyna.chawarska@yale.edu.
