This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

TITLE PAGE

Manuscript Title Here:

Intervention of Online Percent Coefficient of Variation Reporting System Reduces the Variability of Tacrolimus Trough Concentration in Kidney Transplant Recipients

My manuscript is submitted for the following meeting (spell out meeting name):

CAST 2017 (15th Congress of the Asian Society of Transplantation)

Or

My manuscript is submitted as an original works:

(Do not use abbreviations. If an animal study, state the species. If a Case Report, state "Case Report".)

Authors: Given name and Family Name (Surname)

Ching-Yao Cheng^{1,2}, Ming-Ju Wu^{4,5,6,7}, Chih-Chung Lin¹, Yu-Chi Hou^{2,3}, Wen-Shyong Liou^{1,2}
