This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Highlights**

- We consider the product line selection problem of a retailer.
- We incorporate the pricing and ordering decisions to the product line problem.
- We solve the problem with a hybrid generic algorithm.
- The proposed algorithm can solve a realistic large scale problem reasonably well.
