Conflict of Interest: This study was possible with support from the Robert Wood Johnson Foundation Clinical Scholars Program and the Center for Research Engagement at Yale. The study sponsors had no role in study design; collection, analysis, and interpretation of data; writing the report; or the decision to submit the report for publication. At the time of this study, KHW, GL, DB, and MSR were funded by the Robert Wood Johnson Foundation Clinical Scholars Program. ACS was funded by a grant from the Patrick and Catherine Weldon Donaghue Medical Research Foundation (R01 HD070740).

Financial disclosures: No financial disclosures were reported by the authors of this paper.
