This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Level 1 - Strategy
AFT-S

Strategic advantage creation - a potential of a far-reaching technology to create strategic advantage of a company.

Level 2 - Tactics
AFT-T

Implementation scope - an analysis of possible areas and a scope of a far-reaching technology implementation

Level 3 - Operations
AFT-O

Impacted business processes - an analysis of possibilities of redesign and/or reengineering of business processes

Level 4 - Evaluation
AFT-E

Impacted global performance measures - an evaluation of an impact of a far-reaching technology on a performance of a whole company
