This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Highlights:

1. SFSC reduces distances in food supply chains as well as other rural activities;
2. The literature mentions nine critical success factors in implementing SFSC;
3. The study assessed the role of the critical factors in four cross-cultural cases;
4. Specialists highlighted that much is to be done for genuine SFSC consolidation;
5. The main gaps are environmental care in small farms and consumers' health safeguard.
