## Amit Kumar Sinha

Amit Kumar Sinha is an Assistant Professor in Mechanical Engineering at Shri Mata Vaishno Devi University, Katra, India-182320. He is also a Ph.D scholar from the same University. He received MS in Human and Systems Engineering from Ulsan National Institute of Science & Technology, South Korea. He has B.Tech Degree in Manufacturing Engineering from National Institute of Science & Technology, Ranchi, India. He has more than 5 years of teaching and research experience at different levels. He works in the area of Evolutionary Computing, applications, modelling and Simulation of Manufacturing System, Supply Chain Management, Planning and Scheduling of Automated Manufacturing System etc. He has published around 5 articles in leading international journals and is serving as a Reviewer of five International Journals including Computers and Industrial Engineering.

## Ankush Anand

Ankush Anand is an Assistant Professor in Mechanical Engineering at Shri Mata Vaishno Devi University, Katra, India-182320. He has a Ph.D Degree in Mechanical Engineering from the same University. He has more than 10 years of teaching and research experience at different levels. He works in the area of Sustainable Design, Design Optimization, Life Cycle Engineering, Tribology etc. He has published around 10 articles in leading international journals and is serving as a Reviewer in reputed International Journal.
